intimus 60CC3WM - Pharmacy Shredder

Engineered Specifically for Pharmacy Environments

With the latest HIPAA law requirements, shredders have become an important and necessary piece of equipment found in all Pharmacies. Conventional shredders only last months in this heavy use environment where the need to protect patient information comes on both paper and label stock. The **60CC3WM Pharmacy Shredder** is designed to give a pharmacist worry-free operation for years. Quality crafted solid steel cutting heads, an oil maintenance reminder system, and an automated self cleaning cycle combine to make this the only shredder on the market suitable for use in the pharmacy. Add noise reduction technology, energy saving program logic, and dynamic load sensing bio-feedback - this shredder is the total package. Designed by the Company that invented shredders more than 60 years ago and assembled in the USA, every pharmacy needs this shredder which has been engineered specifically for their heavy use environment.

i-control® Absolute transparency of the work flow

Silentec® Innovative concept for noise insulation

Ecologic Energy efficiency

DLS Dynamic Load Sensor - controlled performance

- Dustproof enclosed cabinet
- Mounted on rollers for flexible use
- Material: shock resistant plastic, wood
- Comes with Bin box, 5 Plastic waste bags, 2 - 16 oz. bottles of oil

Technical Data

Shred Size	5/32” x 1 13/32”
Shred Type	Cross-cut
Capacity	13 sheets
Speed	16 ft. per minute
Throat Size	10 1/4”
Shred Container	15.9 gallons
Power Supply	110V
Power Consumption (kW)	0.69
Power Consumption (Hp)	0.92
Width (in)	16.5”
Depth (in)	15.4”
Height (in)	30.3”
Weight (lb)	75 lbs.
Accessories	Oil & Shredder bags
Order Item#	**279254S1**
